DM10 MKII Pro Kit

Premium Ten-Piece Electronic Drum Kit With Mesh Heads

The Iconic DM10 MKII Pro Kit
The Alesis DM10 MKII Pro Kit is a premium ten-piece electronic drum set with our exclusive Alesis dual-zone mesh drum heads (U.S. Patent 9,424,827) that deliver an unprecedented degree of realistic drum "feel" and personal expression for modern electronic drummers. These ultra-quiet mesh drum heads come closer to duplicating the feel of an acoustic drum head and their natural rebound better than any previous Alesis electronic drum kit. The Alesis mesh drum heads have a precise adjustment knob so drummers can adjust the heads to provide the exact response and feel to complement and enhance their personal playing style.

Perfect for Studio and Live Performance
Designed for studio and live performance scenarios alike, the DM10 MKII Pro Kit is a premium ten-piece electronic drum kit and comes complete with six drum pads (10/10/12/12" toms,12" snare with stand, and 8" Bass drum), four cymbals (12" hi-hat, two 14" crash, and a 16" three-zone ride) and the heavy-duty quick lock chrome Rack. It's equipped with the exclusive Alesis tightly woven black mesh drum heads that dampen acoustic noise and provide a singularly natural drumming experience. Players will immediately notice the improved feel, response and reduction in acoustic noise, making the DM10 MKII Pro Kit ideal for quiet late-night practice sessions, as well as live performance and no-compromise studio recording.

DM10 MKII Pro Module
At the core of the Alesis DM10 MKII Pro Kit is the DM10 MKII Pro Module, loaded with a premium sound library of 80 drum kits made from 700 in-demand sounds and voices – for ultimate customisation options, the DM10 MKII Pro

ALESIS

Module features space to expand the factory content with up to 99 user-loaded samples. All of these sounds can be layered using 64 polyphonic voices. To hone your skills there's a built-in metronome, a mix input for practicing with digital music / CD players as well as real-time recording functionality with the 5 user songs included. The DM10 MKII Pro Module comes with an ultra-intuitive "drum coach" to facilitate enhanced practice and drumming education - to enhance the experience even more, the module features a convenient 64 x 128 pixel, monochrome, backlit screen that displays all settings and user-choices in crystal-clear resolution.
